Dear Parent,

With the end of the school year quickly upon us, we know that you are making plans for your child's summer vacation activities. We have developed a summer reading plan and activities for your child to complete during his/her summer vacation.

The guidelines for the program are simple. Your child will receive two books and a summer reading journal to take home. Your child will be required to read the two books over the summer and complete the journal. This journal will be **collected by September 9, 2022 and included as your child's first reading grade of the 2022-2023 school year.**

On the following page, you will find a list of additional suggested titles appropriate for your child. We hope that you will encourage your child to read over the summer months. You can select ebooks free of cost for child to read in a variety of reading platforms on <http://read.dadeschools.net/>.

Students are encouraged to make reading a part of their daily routines even when school is not in session and challenged to read as many books as possible.

We hope that you will join us in this important effort and assist your child in further developing a love for reading.

Sincerely,

Mrs. Laura Carrasco Perez
Principal
